

Fostering tolerance, compassion and justice through human understanding

Painting in Pursuit of Human Understanding

"Art clears from the soul the dust of the everyday"

Come explore the colorful world that exists within you! Use your imagination and a paintbrush to discover your soul's unique poetry in this creative and playful class. By learning the basics of acrylic painting you will be able to create works of art that deepen your understanding of yourself and others. No prior art experience is necessary and all materials are provided. Call 305-794-0329 or **305-461-2459** to register

Facilitator **Sheri Friedman** is a professional artist who has been teaching art for over 10 years. She believes that art is the language of the collective unconscious and is a vital necessity in today's world.
